

**Categorically Excluded Projects subject to §58.5**

**PROJECT NAME and DESCRIPTION** (Include all contemplated activities which are either geographically and/or functionally part of the project):

**Location:**

This project is determined to be Categorically Excluded according to: [Cite appropriate section(s) of the regulation]

**DIRECTIONS** - Once the review process for each compliance factor has been completed, the Statutory Checklist must then be filled out. Specifically, the RE must indicate whether the activity does or does not affect the resources under consideration. Consult the guidance provided in the table below or the web sites. Indicate **Status “A”** on the worksheet if the project does not require formal consultation with an outside agency and does not affect the resource in question. Document the determination made and the sources of information were used—information sources are provided in the guidance. If the activity triggers formal compliance consultation with the oversight agency or affects the resource, indicate **Status as “B”**. Any compliance documentation should also be attached to the Checklist and included in the ERR. Guidance for each of the Compliance Factors can be found at:
